THE SHAY BUILDING GETS ITS NEW ROOF

The contest for the Parkview Public School to create posters of the Shay engine was very successful with 77 entries received from the grade 7 and 8 students. We were pleasantly surprised at the number of entries. Above: Ron Davis and Dave Harding are evaluating the entries. Three entries were selected and they will be announced in the next issue. To thank the students of Parkview Public School for their participation, three books on the history of railroads and the history of Canadian railroads will be donated to the school library.
